

New Mexico State Veterans Home

Required Documentation for Admission

To ensure the admission review of a referred individual is processed efficiently, please see that the following information is provided to New Mexico State Veterans Home in its entirety.

Medical Documentation Required:

- History and Physical Examination documentation within the last 12 months
- Current hospital or facility stay documentation – most recent 3 weeks
- 3 months of nursing notes if in a nursing home facility
- List of **ALL** medications currently taking
- Vaccination Records to include: Flu, Covid, Pneumonia, etc
- List of any upcoming appointments with date, time, location, doctors name, and phone number

Admission Documents Required:

- Copy of current ID, social security card, and all insurance cards
- Copy of DD214 for the eligible veteran and/or spouse
- Spouse applicants – a copy of the marriage certificate
- Award Letters for all income – Social Security, Pensions, etc
- 3 months of financial statements for all accounts
- Power of Attorney documents, Guardianship documents, Conservatorship, etc
- Advanced Directives, Living Will, Burial Plan – if applicable

If we do not receive all required information, the admission process will be delayed until received.
